Dear Mark and Keith,

I wanted to thank you for choosing the Imaginarium as the debut location for "**Be the Dinosaur**". The staff and board at the Museum were extremely pleased with the performance and display of the exhibit both in customer reaction and attendance. It was our pleasure to be a part of the continued improvements to the exhibition and we appreciated your openness to changes and modifications based on our needs.

I have had the opportunity to see the new and improved exhibit and really think you have succeeded in making a very good exhibit great!

"**Be the Dinosaur**" will be a great addition to the Museum community for many years to come. I look forward to seeing the exhibit continue to evolve with future technologies and additions.

Sincerely,

Matthew H Johnson
